KICK-OFF MEETING, POLAND 12/02/2022

## Partners

The Kick-off meeting of the Erasmus+ project "Circle of arts" took place in Wrocław (Poland) on 12 February 2022. The project partners are Fundacja Pro Scientia Publica (Poland), Edu Vita (Italy), and Naz Hayat (Turkey).

During the meeting, the most important information about the project was presented to all partners and the most important aspects of the project were analysed. The tasks were assigned and decisions were made to set the dates of future meetings. We also discussed issues related to the preparation and implementation of workshops for elderly people.

The project is dedicated to three groups: seniors, young people, and educators working with elderly people. The main aim of the project is to share pedagogical and artistic experiences, share a common language of art, and know the cultural heritage of partner countries. The project supports active ageing, arts, culture, and creativity.
